

Clinton Kane - Hopeless

tom:

Intro: D Bm A G

[Primeira Parte]

When you're moving at a pace and leave before it started
It's hard to take a break

When you don't know what's important

Am I too far gone to stay will I ever wanna change

If I went another way would it be different

If I had the other say would they have listened

It's all I've ever known but now I'm wanting more

(D)

[Pré-Refrão]

Falling in and out of place
I don't know where I wanna be

Afraid of what its done to me, woah oh

But now I'm feeling lost and out of reach

[Refrão]

And I can't find my place, I've never had a
Home to rest my ache, I'm tired of being
On my own and broken, scared that it won't ever end
I tried and tried again but all I found is
Emptiness instead I'm giving up on
All I've ever wanted, I guess that it's just hopeless

(D)

Is it alright if I don't find the ending of my story
The second guessin' in your time, start to see it fully
I'm running out of space to make up my mistakes
I'm so done waiting for what I want
Hope I find something for my heart
It's all I've ever known but now I'm wanting more
[Refrão]

And I can't find my place, I've never had a
Home to rest my ache, I'm tired of being
On my own and broken, scared that it won't ever end
I tried and tried again but all I found is
Emptiness instead I'm giving up on
All I've ever wanted, I guess that it's just hopeless
