

Clinton Kane - I Wish I Could Hate You For Breaking Me And Calling It Love

tom:
 Eb (forma dos acordes no tom de B)
 Capotraste na 4ª casa
 Holding my breath, playing pretend
 Acting like you'll never hurt me again
 And why does your love come with a punch
 That I'll keep takin' again and again?
 How many times will you apologize
 And say that you're ready to change?

I wish I could hate you
 For breaking me, callin' it love, I made you
 Stay when you wanted to run, tell you
 I can't love the same 'cause you threw me away
 And why couldn't I be enough?
 And sometimes I felt being somebody else
 'Cause you never cared even till the end

If only you'd be just into me
 But you keep on fuckin' me up in the head
 I wish I could hate you
 For breaking me, callin' it love, I made you
 Stay when you wanted to run, tell you
 I can't love the same 'cause you threw me away
 And why couldn't I be enough?
 Oh, oh, oh, oh-oh, oh, oh

I don't know love, mm
 From what you've done
 I wish I could hate you
 For breaking me, callin' it love, I made you
 Stay when you wanted to run, tell you
 I can't love the same 'cause you threw me away
 And why couldn't I be enough?
