

Clodo, Climério e Clésio - Ilha Azul

tom:

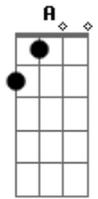

Intro: D E Dbm C7
Bm Bb7 A
E D E7

Quando eu saí lá do Piauí
Caboclo novo que nem vaquejava ainda
Eu curti muito o rio Parnaíba
Levando toco de madeira em bolsas
Até que um dia eu vim parar aqui
Nos olhos verdes da mineira clara
Nesta cidade, esta maquete viva

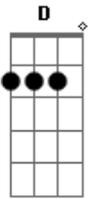

Feita de sonhos de um herói sem nome

Um dia, quem sabe noite
De um mês qualquer
A gente grita laços fora e vai
E vai falar de nossa vila
Nossa ilha azul, ilha azul
Um dia, quem sabe noite
De um mês qualquer
A gente grita laços fora e vai
E vai falar de nossa vila
Nossa ilha azul, ilha azul
