

# Clovis Azevedo - Tome Cuidado

Tom: G

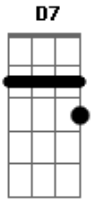

Quando ela chega te chamando de meu bem  
 Tome cuidado que ela quer o que você tem.  
 Se tu tem carro tem fazenda e tem dinheiro  
 Ela vem logo diz que gosta do seu cheiro  
 E carinhosa com jeitinho especial.

Quando ela pensa que você tem capital  
 Mais se descobre que o dinheiro  
 E pouquinho da logo um jeito  
 E vai saindo de fininho.  
 Mais se descobre que o dinheiro  
 E pouquinho da logo um jeito  
 E vai saindo de fininho.
