

# Coast Modern - Guru

tom:

Intro: G C G

G  
Baby's on the road  
Tryin' to find what's golden  
C  
Never gonna hold her down  
G  
I'm chillin' on the sofa  
I don't wanna yoga  
C Bm  
I don't want to life right now

C  
I see outside it's changing seasons  
Bm C  
But I'm burning all my daylight sleepin'

G C  
I want you to know that I'm still tryin'  
(Baby, be my guru)  
G C  
You see through my bad, you know I have my moods  
G C  
When I'm super low you pull me higher  
(Baby, be my guru)  
G C  
We're miles apart, but not at heart, my guru

(G C ) 2x

G  
She called me from a train  
Headed to a plane  
C  
Comin' for a week or two  
G  
Gotta clean my act up  
I don't wanna act up  
C Bm  
So I gotta find my groove

C  
Good vibrations swirlin' 'round me  
Bm C  
So why does changing hurt so badly

G C  
I want you to know that I'm still tryin'  
(Baby, be my guru)  
G C  
You see through my bad, you know I have my moods  
G C  
When I'm super low you pull me higher  
(Baby, be my guru)  
G C  
We're miles apart, but not at heart, my guru

G  
Got some scruff goin', gotta shave it  
C  
Get my diet up, no more eating bacon  
G  
Get a bathe in, bet it'd feel amazin'  
C  
Climb up from the cave I created in my basement

G C  
And even if I'm slow she's patient with the pace I grow  
(Oh you know she is)  
G C  
And when I am alone she's with me every place I go

G C  
I want you to know that I'm still tryin'  
(Baby, be my guru)  
G C  
You see through my bad, you know I have my moods  
G C  
When I'm super low you pull me higher  
(Baby, be my guru)  
G C  
We're miles apart, but not at heart, my guru

( G C )
