

# Cobi - Burnin' One Down

tom:

**[Primeira Parte]**

Oh my  
They say  
We're going to war  
Get on board, The TV is on  
Can't look away  
Nobody seeing things the same way  
The temperature is rising  
More people to fear  
Believe what they seeing  
Believe what they hear  
But I can't  
See why  
So many shot down in their prime

**[Refrão]**

They put on their boots  
And load up their guns  
You're getting yours too  
Better put your mask on  
But I'll be right here singing my song  
Burnin' one down  
Ready when they come around  
They put on their boots  
And load up their guns  
You're getting yours too  
Better put your mask on  
But I'll be right here singing my song  
Burnin' one down  
Ready when they come around

**[Segunda Parte]**

Oh my  
These days  
Surviving the storm  
Stay at home  
It's gonna flood  
A hurricane  
Be ready get down and take aim

The image of violence  
Is deep in the mind  
In need of some guidance  
For leading the blind  
But I can't  
See why  
So many shot down in their prime

**[Refrão]**

They put on their boots  
And load up their guns  
You're getting yours too  
Better put your mask on  
But I'll be right here singing my song  
Burnin' one down  
Ready when they come around  
They put on their boots  
And load up their guns  
You're getting yours too  
Better put your mask on  
But I'll be right here singing my song  
Burnin' one down  
Ready when they come around

**[Ponte]**

Who here is gonna save me  
Who here is gonna try  
And lay down my life  
Never let em take me  
When it's bombs away  
And the sky is falling down  
( Cm Eb Ab G7 )

**[Refrão Final]**

They put on their boots  
And load up their guns  
You're getting yours too  
Better put your mask on  
But I'll be right here singing my song  
Burnin' one down  
Ready when they come around

They put on their boots  
And load up their guns  
You're getting yours too  
Better put your mask on
