

Cocoon - Retreat (feat. Natalie Prass)

```
tom:
Intro: B7 E Em B
   B7 E Em B
[Primeira Parte]
Stop calling me
I won't pick up, I need to be alone
           F
Don't be dismayed
            Em
I've fallen once and I'd fall again
[Refrão]
Oh, I don't know what's best, for me lately
 Abm E
I'm sorry to cause you pain
B
Bbm Eb
                                   Abm
Maybe I need a rest, some time away, before we start over
again
[Segunda Parte]
When was the last time
We had a first time?
```

```
But don't, don't be dismayed
                                                                                  Em
 I've risen once and I'll rise again
 Oh, I don't know what's best, for me lately Abm E
 I'm sorry to cause you pain
B Bbm Eb Abm E
Maybe I need a rest, some time away, before we start over
again Eb Abm E B
 Oh, before we start over again
  ( E Em B B )
  ( E Em Gb Gb )
 Oh, I don't know what's best, for me lately Abm E
I'm sorry to cause you pain % \left( 1\right) =\left( 1\right) \left( 1
                                                                                                                                                                             Bbm Eb
                                                                                                                                                                                                                                                                                                                                   Abm
 Maybe I need a rest, some time away, before we start over
 Eb
 Oh, before we start over again
 Eb Abm E
 Oh, before we start over again
 Eb Abm E B
Before we start over again
```
