Tom: **C**

**C** **Em**  
I once fell in love with you  
**Dm7** **C** **Em** **A2** **Am**  
Just because the sky turned from gray into blue

(C, Em, Dm7, C, Em, A2, **Am** )  
It was a good friday  
The streets were open and empty  
No more passion play  
On st. Nicholas avenue  
I believe in st. Nicholas  
Its a different type of santa claus
