

CocoRosie - Good Friday

Tom: **C**

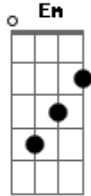

C **Em**
I once fell in love with you
Dm **C** **Em** **A2** **Am**
Just because the sky turned from gray into blue

(C, Em, Dm, C, Em, A2, **Am**)
It was a good friday
The streets were open and empty
No more passion play
On st. Nicholas avenue
I believe in st. Nicholas
Its a different type of santa claus
