Codeko - Bad At Being Alone (Jay Hardway remix)

```
                                 tom:
                         G
           Abm                 E
Shield me from the worst of it and save me from the noise
Dbm                    A           B
Can't you see I'm bad at being alone?
```

```
    Abm         Gb
Miles away you, No escape, I'm shaking
            E                 B
'Cause I'm out here on my own
           A            B
I'm bad at being alone

( A  B A Dbm E A B A E A E )
( E A B E A B A B E A Dbm E A Dbm B E A B )
