tom: Gb  
 When I had you to myself B  
 I didn't want you around Abm  
 Those pretty faces always made you Ebm  
 Stand out in a crowd Db  
 But someone picked you from the bunch B

One glance was all it took Abm  
 Now it's much too late for me Ebm  
 To take a second look Db  
 Oh, baby give me one more chance B Abm  
 Won't you please let me back in your heart Ebm Db  
 Oh, darlin' I was blind to let you go B Abm
