

# Cody Carnes - Living Water

Tom: G

Water of life, what if I said I was thirsty  
Bread of life, what if I said I was hungry

Would You pour Your Spirit on me, Lord?

Would Your glory fall

Like the water fills the sea?

Living water cover me

Flood my heart with every single beat

All You are is all I'll ever need

I love You, I love You

Author of life, speak Your Word so I can hear You

Father of life, all I want is to be near You

Would You pour Your Spirit on me, Lord?

Would Your glory fall

Like the water fills the sea?

Living water cover me

Flood my heart with every single beat

All You are is all I'll ever need

I love You, I love You

Oh Jesus fill this room

Every heart is crying out to You

Desperately we need to see You move

We love You, we love You

( G D Am C )  
( G D Am C )

Pour Your glory down, pour Your glory down

Pour Your glory down

Let the thirsty drink and live

Pour Your glory down, pour Your glory down

Pour Your glory down

Let the thirsty drink and live

Living water cover me

Flood my heart with every single beat

All You are is all I'll ever need

I love You, I love You

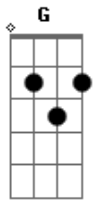

Oh Jesus fill this room

Every heart is crying out to You

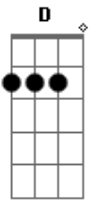

Desperately we need to see You move

We love You, we love You
