

Cody Jinks - Cast No Stones

tom:

A

Intro: A

[Primeira Parte]

I cast no stones and I build no walls
 And I tell the truth when truth comes to call
 And I try to walk that narrow way
 Sometimes I go over the lines
 And I won't make it back till the next day

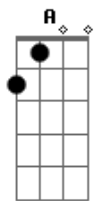

[Refrão]

But I cast no stones
 What gives you the right
 To tell me my business
 Good God man, you're out of your mind
 So put up your bible
 Or let me get mine
 I'm not draggin' the whole world to hell
 Man you're wastin' my time

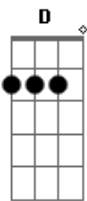

[Segunda Parte]

I don't talk with Jesus as much as I should
 I don't read that good book everyday like I could
 But I like to stop at the end of the day
 And I pray that I hurt nobody
