

Cody Jinks - Hurt You

tom:

B (forma dos acordes no tom de C)

Afinação: Eb Ab Db Gb Bb Eb

I hear them talkin' under their breath
 Their lips don't move but I know what they said
 I see 'em lookin' me up and down
 Hidin' their smiles like I'm some kind of clown
 They don't know what you don't know

[Refrão 1]

I'm gonna hurt you as much as I can
 And watch you cry and die where you stand
 I wanna hear your tears hit the floor
 I'm gonna hurt you, and hurt you some more

(Am C G F)

[Segunda Parte]

I felt the air sucked out of the room
 What the hell did you get into?
 They just assume that I must be blind
 Man I wish they could read my mind
 'Cause they don't know what you don't know

[Refrão 2]

I'm gonna walk right up to your friends
 I'm gonna tell 'em 'bout the mess you're in
 You're gonna watch their jaws hit the floor
 I'm gonna hurt you, and hurt you some more

[Terceira Parte]

I'm gonna hurt you like you never hurt
 I'm gonna drive your name in the dirt
 You won the battle but I'll win the war
 I'm gonna hurt you, and hurt you

[Refrão 1]

I'm gonna hurt you as much as I can
 And watch you cry and die where you stand
 I wanna hear your tears hit the floor
 I'm gonna hurt you, and hurt you some more
 I'm gonna hurt you, and hurt you some more
