Cody Jinks - Hurt You

```
                tom:
                B (forma dos acordes no tom de C )
                Afinação: Eb Ab Db Gb Bb Eb
           Am                        C
I hear them talkin' under their breath
                 G                    F
Their lips don't move but I know what they said
          Am              C
I see 'em lookin' me up and down
              G                   F
Hidin' their smiles like I'm some kind of clown
F
They don't know what you don't know

[Refrão 1]

           Am                    C
I'm gonna hurt you as much as I can
              G                    F
And watch you cry and die where you stand
           Am                C
I wanna hear your tears hit the floor
           G
I'm gonna hurt you, and hurt you some more

( Am  C  G  F )

[Segunda Parte]

            Am                    C
I felt the air sucked out of the room
            G                 F
What the hell did you get into?
          Am                C
They just assume that I must be blind
          G                    F
Man I wish they could read my mind
           F
'Cause they don't know what you don't know
```

```
[Refrão 2]

           Am                        C
I'm gonna walk right up to your friends
           G                             F
I'm gonna tell 'em 'bout the mess you're in
              Am                    C
You're gonna watch their jaws hit the floor
           G
I'm gonna hurt you, and hurt you some more

[Solo] Am  C  G  F
       Am  C  G  F

[Terceira Parte]

           Am                        C
I'm gonna hurt you like you never hurt
           G                       F
I'm gonna drive your name in the dirt
              Am                    C
You won the battle but I'll win the war
           G                    F
I'm gonna hurt you, and hurt you

[Refrão 1]

           Am                    C
I'm gonna hurt you as much as I can
              G                    F
And watch you cry and die where you stand
           Am                C
I wanna hear your tears hit the floor
           G              F          Am  C
I'm gonna hurt you, and hurt you some more
           G              F              Am
I'm gonna hurt you, and hurt you some more

[Solo] C  G  F  Am
       C  G  F  Am
       C  G  F  Am
```
