

Cody Jinks - Lost Highway

tom:

Intro: Em G D Am
Em G D Am

Em G They say it's a lost highway, it must be a ride
D Am Cause I've been driving for years, and it's just beyond my sights
Em G I am too far gone to be turning around, so I just look ahead and drive
D Am I remember the way it always made m feel when David Allan sang "The Ride"

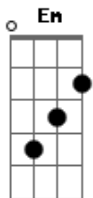

Am Em G D It takes you up, it takes you down, the road don't end, it just goes around
Em G D It makes you laugh, it makes you cry, it makes you live... and die

Em G And what I have lost, what I have gained
D Am It's all to none, it's still the same
Em G D I will drive until I find, until I find, that lost highway
(Em G D Em)

Em G Many others have travelled this road, I try to steer clear
D Am Of all the wreckage and the shattered souls forgotten every year

Em And the ghosts that walk on the side of the road
G Say to turn your car around
D Well one day son you'll be walking with us
Am Searching for what can't be found
Em G D It takes you up, it takes you down, the road don't end, it just goes around
Em G D It makes you laugh, it makes you cry, it makes you live... and die
Em G And what I have lost, what I have gained
D Am It's all to none, it's still the same
Em G D I will drive until I find, until I find, that lost highway
(C G D C)
(C G D Bm)
Em G And what I have lost, what I have gained
D Am It's all to none, it's still the same
Em G D Am I will drive until I find, until I find, that lost highway
