```
Tom: Eb
m (forma dos acordes no tom de Em )
                           Afinação: Eb Ab Db Gb Bb Eb
Intro: Em D C
[Primeira Parte]
                  Fm
No I'm not goin' crazy
But lately my head and my heart
Seem to be at least a million miles apart
  Em
My heart says to love ya, my head says to run
             C
It's like my heart is too afraid
To tell my head what it's done
   Fm
I know that it can never be the way it was
Even though you'll be the death of me I can't give you up
    Em
Too much is not enough; it's not the love
                       C
                              D
It's not the lust that grips me
                Em
It must be the whiskey
[Refrão]
          G
                                    D
I've been drinkin' to remember and drinkin' to forget
        Bm
I got I love you on my mind
      C
I got Jim Beam on my breath
       G
And loneliness has got the rest
D
                    Bm
                               C
I've got nothin' left within me
                Fm
It must be the whiskey
(CD)
[Segunda Parte]
                  Fm
No I'm not goin' crazy
But lately these thoughts in my head
Are a whirlwind of a world of a million regrets
         Em
All the things I should've done
```
