

Cody Jinks - She's All Mine

tom:

Eb (forma dos acordes no tom de D)

Capostrate na 1ª casa

Intro: G D G D

[Primeira Parte]

Doors open when she smiles
 She moves mountains with her might
 She's all mine
 She's all mine

She's that Fort Worth Texas girl
 She's every girl in the world
 She's all mine
 She's all mine

[Refrão]

The Devil tells me lies
 Most every night
 I don't wander through the darkness
 She's my light

[Segunda Parte]

She's an angel with no disguise
 Lord knows I've made her cry
 But she's still mine
 She's all mine

If it can be done son, she can

She makes me a better man

She's all mine
 She's all mine

[Refrão]

The Devil tells me lies
 Most every night
 I don't wander through the darkness
 She's my light

She might tell you it's not that hard
 That's her lie
 If there's one thing to hold against her
 It is I

[Refrão]

The Devil tells me lies
 Most every night
 I don't wander through the darkness
 She's my light

She might tell you it's not that hard
 That's her lie
 If there's one thing to hold against her
 It is I

Doors open when she smiles
 She moves mountains with her might
