tom:

Intro: Abm E B B
Abm E B B

Abm E B Gb
I feel their eyes upon me as I walk across the room
Abm E B B
I can hear 'em all whispering my name
Abm E B Gb
So I tuck in my shoulders and hide the best I can
Abm E B Gb
It all happened so fast I can't explain
Dbm
But if I had to

Abm E B B
I'd tell 'em all I really ain't that special
Abm E B Gb
And I'd cry and yell, "'Leave me the hell alone"
Abm E B E
And I hate it that I have to try to be cool all the time
Abm E B B
I'm just a guy with a wounded mind

Abm E B Gb
I put on my costume and I put on a show
Abm E B B
The only way a jester stays alive
Abm E B Gb
All they see is glitter and all they hear are rhymes
Abm E B B
If I could find a new way to survive

Dbm
I'd be glad to
