

## **Cody Simpson - Free**

tom: Db

```
She looks good in the morning sun
But even better with a thigh dot on
Feather in her head, flower in her hair
And I love the way that she just don't care
She got a cat that she calls Tattoo
She got herself a couple tattoos too yeah
And when she drinks you know she love a cigarette
                                         Ab G Gb
Got a little black pearl hanging around her neck
                     Ab G Gb
No, she ain't one for commotion
             Ab
She living just like the ocean
       Db
She just wanna be free
Ab
Just let her be
I'll take a ride on the breeze
Why can't you see?
She just wanna be cool
And doing what she do
Barefeet swaying to a laid back beat
She just wanna be free
(Repete Intro)
She blowing smoke rings in my head
To collide I scope the dreams running on my bed
```

And I know, I know I know I know We gonna take it slow The kind of soul that can do no wrong A little soul to the earth that I blew so wrong And I know, I know I know I know She gonna take it slow Dh She just wanna be free Ab Just let her be Fbm I'll take a ride on the breeze Why can't you see? Db She just wanna be cool And doing what she do Ebm Barefeet swaying to a laid back beat Ab Baby doll, she just wanna be free Ab She like to keep it emotion, woah She's steady flow like the ocean Oh, she just wanna be free, so free Ah Just let her be I'll take a ride on the breeze, baby please Why can't you see? She just wanna be cool Doing what she do Fbm Barefeet swaying to a laid back beat Db

She just wanna be free

## **Acordes**
