

Cody Simpson - Happy Lil Hippie

Tom: D

She said she don't watch the news
 It's all bad, it's all sad, it turns her brown eyes blue
 She said she don't watch the tube
 She dreams big, she sleeps in whenever she's got something else to do,
 She takes off her shoes
 And she takes a walk through the city,
 Look at all the pretty things she sees
 She's a happy lil hippie, nothing gonna get her down
 She's got a diary for the memories that she'll never read
 Cause she's a happy lil hippie, nothing gonna get her down, oh
 Na na na na na na na na na
 Na na na na na na na na na
 And if you're quiet you can hear her
 Singing all alone or dancing in the mirror

Cause she says she don't like to party, oh
 With people she don't know, cause she likes to let go
 And take her clothes off, she takes her clothes off
 Walking through the city, look at all the pretty things she sees
 Cause she's a happy lil hippie, nothing gonna get her down
 She got a diary for the memories that she'll never read
 Cause she's a happy lil hippie, nothing gonna get her down
 2X
 Na na na na na na na na na
 Na na na na na na na na na
 And if you get the chance to meet her, woah
 I just hope you never leave her with a frown, woah
 D A G
 She says she don't like the news
 It's all bad, it's all sad, it turns her brown eyes blue
