Tom: C

(forma dos acordes no tom de G)
Capostrate na 5ª casa

Everyday at twilight as the sun turns red in the sky
I think of you on that shoreline brushing your hair from your eyes
We were drawing our names in the wet sand and running away as the tide
Rode in

Wherever you are no matter how far
I promise that i won't give up on you
They say out of sight means out of mind
But they couldn't be further from the truth
'cause i'm in love with you
i'm still in love with you

Even if there is an ocean keeping your heart from mine
That doesn't mean i'm not thinking about you all the time
I'm counting the days til i see you and somewhere i know that you

Are too

Wherever you are no matter how far
I promise that i won't give up on you
They say out of sight means out of mind
But they couldn't be further from the truth
'cause i'm in love with you
i'm still in love with you

We had the summertime of our lives nothing here has ever felt so right the
Summertime of our lives and even though we had to say goodbye i know
When the water gets warm you'll come back to me

Wherever you are no matter how far
I promise that i won't give up on you
They say out of sight means out of mind
But they couldn't be further from the truth
'cause i'm in love with you
