

# Colbie Caillat - All Of You

tom:

G

I know that i was wrong

G

When i read your letter

C

But i just had to know

G

If you still miss her

C

'Cause you feel far away

G

When i kiss you

C

And every word you say

D

Sounds so confused

Tell me everything, tell me

Every little thing

I won't run away, no matter

What you say

I wanna hear your heart

Every single beat in part

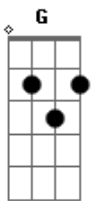

The good and the bad, i swear

I won't be mad

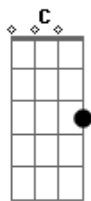

It's you i want, all of you, you, you

No matter what i'm feeling

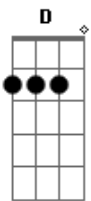

## Acordes

I won't hide it

You know that you can tell me

Every secret

'Cause i'm no good in guessing

I just need to know

Tell me everything, tell me

Every little thing

I won't run away, no matter

What you say

I wanna hear your heart

Every single beat in part

The good and the bad, i swear

I won't be mad

It's you i want, all of you, you, you

All of you

All of you

[Refrão]

It's you i want, all of you, you, you

All of you

All of you
