

Colbie Caillat - In Love Again

Tom: **F**

(com acordes na forma de **C**)

Capotraste na 5ª casa

Verso:

C
Remember the day our lips touched in the rain
F
Fireworks through my veins into my heart
C
Remember the nights dancing under the sky
F
I got lost in the moonlight, found in your dark eyes

Refrão:

C
Ohh I wanna fall in love again but this time
G
But this time with no regrets
Am
I wanna give it all again but this time

But this time with no secrets
Dm
I don?t want just anyone, not anyone new
C
I wanna fall in love again with you
Am
With you, with you
F
I wanna fall in love again with you
G
With you

Verso:

C
Can we forget all the lies that we've laid?
F
Take us so far away from the truth
C
Can we erase all the tears and regrets?
F
The fear hiding in the pain
G
The shadows of yesterday

Refrão:

C
Ohh I wanna fall in love again but this time
G
But this time with no regrets
Am
I wanna give it all again but this time
G
But this time with no secrets
Dm
I don?t want just anyone, not anyone new
C
I wanna fall in love again with you
Am
With you, with you
Ponte:

C
We can take a blank white page
Am
And fill it with the dreams we made
F
And let these scars slowly fade away
G

Refrão:

C
I wanna fall in love again but this time
G
But this time with no regrets
Am
I wanna give it all again but this time
G
But this time with no secrets
Dm
I don?t want just anyone, not anyone new
F
Woah oh I don?t want just anyone
G
Not anyone new
C
I wanna fall in love again with you
Am
With you, with you
F
I wanna be in love again with you
G
With you
C
I wanna be in love again
