

# Colbie Caillat - In Love Again

Tom: F

(com acordes na forma de C )

Capostrate na 5ª casa

Verso:

C Remember the day our lips touched in the rain Am  
F Fireworks through my veins into my heart G  
C Remember the nights dancing under the sky Am  
F I got lost in the moonlight, found in your dark eyes G

Refrão:

C Ohh I wanna fall in love again but this time G  
But this time with no regrets  
Am I wanna give it all again but this time G

But this time with no secrets  
Dm I don't want just anyone, not anyone new G  
C I wanna fall in love again with you  
Am With you, with you  
F I wanna fall in love again with you  
G With you

Verso:

C Can we forget all the lies that we've laid? Am  
F Take us so far away from the truth G  
C Can we erase all the tears and regrets? Am  
F The fear hiding in the pain  
G The shadows of yesterday

Refrão:

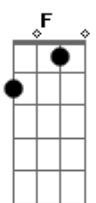

C Ohh I wanna fall in love again but this time G  
But this time with no regrets  
Am I wanna give it all again but this time G  
Dm But this time with no secrets G  
C I don't want just anyone, not anyone new  
C I wanna fall in love again with you  
Am With you, with you  
Ponte:

C We can take a blank white page  
Am And fill it with the dreams we made  
F And let these scars slowly fade away G

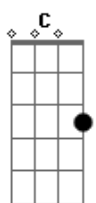

Refrão:

C I wanna fall in love again but this time G  
But this time with no regrets  
Am I wanna give it all again but this time G  
Dm But this time with no secrets G  
F I don't want just anyone, not anyone new  
F Woah oh I don't want just anyone  
G Not anyone new  
C I wanna fall in love again with you  
Am With you, with you  
F I wanna be in love again with you  
G With you  
C I wanna be in love again
