

Tom: Ab

Colbie Caillat - Midnight Bottle

Intro Ab7 Midnight bottle take me come with me my memories and everything come back to me Midnight bottle make it real what feels like make believe so I can see a little more clearly every single move you make kissing me so carefully Eb on the corners of my dreaming eyes Chorus: I've got a midnight bottle gonna drink it down Dh A one way ticket takes me to the times we had before When everything felt so right If only for tonight Ah7 I've got a midnight bottle gonna ease my pain From all these feelings driving me insane When I think of you everything's all right if only for tonight Got a midnight bottle drifting off into the

candlelight where I can find you in your time

Ab7

A midnight bottle I forgot how good it

Db

felt to be in a dream just like you had me

Bbm Cm

Cuz lately I've been stumbling feels like I'm recovering

Db Eb

But I think it's only for tonight

Chorus

I've got a midnight bottle gonna drink it down

A one way ticket takes me to the times we had before
When everything felt so right If only for tonight

I've got a midnight bottle gonna ease my pain

When I'm with you and everything's all right if only for:

From all these feelings driving me insane

Br:
Bbm
tonight... If only for
Eb
tonight,.. if only for
Bbm
tonight.., if only for
Eb
tonight

chorus:

I've got a midnight bottle gonna drink it down
A one way ticket takes me to the times we had before
When everything felt so right
If only for tonight I've got a midnight bottle gonna ease my
pain
From all these feelings driving me insane
When I think of you and everything's all right if only for
tonight
