 If we find that our vision is blinded
C                    D          Em
 We should slow down and maybe we will find it
C            D          Em        Am
 Every heart just needs a little time to grow

C                    D          Em
 If we go through a little bit of hard times
C                    D          Em
 You should know that to fix it it'll take time
C            D          Em       Am

What can I say, what can I do
         Am              D
How do we change, I'm not gonna lose you

G
 If the world stops turning

 How long will it take for us to let this go
