

Colbie Caillat - Stay With Me

Tom: G

Intro 2x: G C

G C
We simply fit together like a piece of apple pie
G C G
I will be vanilla ice cream and I'll sing you lullabies
C G
I will love you in the moonlight and I'll love you in the day, always

G C
I love the time we spend, like a watch from an old friend
G C G
I will help you keep your smile, promise me you'll stay a while

C G C
I will come to you in need and I'll help you when I can, when I can

G C G C
Stay with me, promise me you're never gonna leave
G C G C
Stay with me, (yeah) let's try to be the best that we can be
G C G C
And take our time, ooh

G C
We always joke together, laugh 'til we're rolling on the floor.

G C
I like the way you dance around when you're running for the door.

G C G C
I will come to visit you even when we're old and gray,

always.

G C
I love the way you make me feel, when you're asleep I'll take the wheel

C
Make sure to call when you get home, when you're driving on your own

G C G C
I will come to you in need and I'll help you when I can, when I can, so

G C G C
Stay with me, promise me you're never gonna leave

G C G C
Stay with me, (yeah) let's try to be the best that we can be
G C G C
And take our time, ooh

Em C G
