tom:

Intro: ^D ^G ^D ^G ^D ^A

I've come here ^D nine times asking you ^G do not make it ^D ten

I'm peeling ^G off all the armor that ^D protected my skin ^A

Apologize, I'm ^D laying down my ego ^G to rest ^D

Could you be mine ^G for-ever ^D just in case it exists? ^A

I think about the ^D old days ^G

What we've been ^G through to survive ^D

Do we get better ^G with time? ^D

Tell me I'm ^A wrong

Looking ^D back to the start, who we ^G were when we met ^D

This box of pictures ^G tells a story when we ^D fight, we forget ^A

And I can barely ^D recognize us, back then we ^G were obsessed ^D

Can we cut out this ^G madness and get back to the best? ^A

I think about the ^D old days ^G

What we've been ^G through to survive ^D

Do we get better ^G with time? ^D

Tell me I'm ^A wrong

I'm looking to you ^D always ^G

We follow the ^G same guiding light ^D

Passing like ships ^G in the night ^D

Can we hang ^A on?

Can we hang ^{Bm} on?

Can we hang ^G on? ^D

Can we hang ^G on? ^D

Can we hang ^A on?

Can we hang on?

^D

This could've gone either way if

^G One of us had ^D walked

If I'd gone off, and you ^G caved in, and we broke it off ^A

I'd be lost, I'd be ^D chasing some broke down dream ^G

I'd be bored to death ^D

But we cannot stay ^G forever young and out of our heads ^D ^A

Out of our heads

I'll think about ^D tomorrow ^G

If I can get ^G through tonight ^D

I know that we'll be ^G alright ^D

Can we be ^A strong?

I'm looking to you ^D always ^G

Even though we're ^G like ships in the night ^D

Don't you go ^G passing me by ^D

Can we hang ^A on?

Can we hang ^{Bm} on?

Can we hang ^G on? ^D

Can we hang ^G on? ^D

Can we hang ^A on?

Can we hang on?

You can find ^D it ^G

If you're ^G dying to live ^D

If you want to know the secret, hang on ^A

You can find ^{Bm} it ^G

If you're ^G dying to live ^D

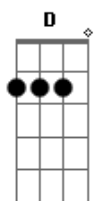

If you want to know the secret, hang on ^A

You can find ^D it ^G

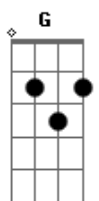

If you're ^G dying to live ^D

If you want to know the secret, hang on ^A ^D
