

Cold War Kids - First

Tom: **D**

Intro: (**G** **D** **A**) 2x

Cheated and **G** lied, broken so **D** bad
 You made a **A** vow, never get mad
 You play the **G** game, though it's **D** unfair
 They're all the **A** same, who can compare?
G First you lose trust, then you get **D** worried **A**

Night after **G** night, bar after **D** club
 Dropping like **A** flies, who woke you up
 On the front **G** lawn, sprinklers turned **D** on
 It's not your **A** house, where'd you go wrong?
G First you get hurt, then you feel **D** sorry **A**

REFRÃO

Flying like **G** a cannonball, falling to the **D** earth
 Heavy as a **A** feather when, you hit the dirt
 How am I the **G** lucky one?, I do not **D** deserve **A**

To wait around forever when, you were there **G** first **D**
 First you get hurt, then you feel **A** sorry

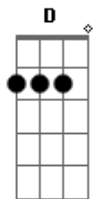

There comes a **G** time, in a short **D** life
 Turn it around, get a **A** rewrite
 Call it a **G** dark, night of the **D** soul
 Ticking of **A** clocks, gravity's pull
G First you get close, then you get **D** worried **A**

REPETE REFRAO

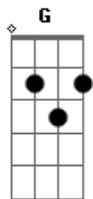

G You're going **D** silent, the silent treatment
A It's not inviting now, don't deny what you meant
G You get **D** excited, you get excited
A You got a feel it, oh, at least you can pretend
G You wanna **D** light it, you wanna light it
A You wanna light it now, the candle from both ends
G You get **D** excited, you get **A** excited
