

# Cold Weather Company - Someone Else

tom:

**C**

I, I left you alone

**Am** **F** **G**

No visions of home, I'm letting go

**C** **F**

For I am meant to be on my own

**Am** **G**

Your decision has shown, I'm letting go

**F** **C**

For I, I've lost to someone else

**F** **C** **G**

And I, I've lost to someone else

**C F Am G**

Oh

**C** **F**

I, I tried so hard

**Am** **G**

I gave all I could, I let down my guard

**C** **F**

You, you left me so scarred

**Am** **G7 G**

I've got to go away now, my fading star

**F** **C** **G**

For I, I've lost to someone else

**F** **C** **G**

And I, I've lost to someone else

**C F Am G**

Oh

**C F Am G**

Someone else

## Acordes
