

# Colde - Star

tom:  
Capostrate na 3ª casa  
Intro: C Em Am F

[Primeira Parte]

Just like a star I stay here for long

While everything is changed  
I just cannot help but stay, Oh

Just like a star  
I don't even see myself get old

It's hard to be explained  
I wanna break away

I keep on praying  
Oh, why?

[Refrão]

If my tears fall  
Down in my universe  
Turns into a new world  
Time to find my way back home  
Thousand years gone  
I don't feel nothing no more  
You're the one I long for

Now it's time to go  
I hover like a star

Ooh, ooh

[Segunda Parte]

Just Like a star  
All the memories got stuck (oh)  
I'm tired of the past (Ah)  
I want to break away  
Oh, I

[Refrão]

If my tears fall  
Down in my universe  
Turns into a new world  
Time to find my way back home  
Thousand years gone  
I don't feel nothing no more  
You're the one I long for  
Now it's time to go  
I hover like a star
