

# Coldplay - A Head Full Of Dreams

Tom: **B**  
Intro: **B** (x6)  
**E A**

**B**  
Oh, I think I've landed  
**E**  
In a world I hadn't seen  
**Gb**  
When I'm feeling ordinary  
**A E**  
When I don't know what I mean  
  
**B**  
Oh, I think I've landed  
**E**  
Where there are miracles at work  
**Gb**  
For the thirst and for the hunger  
**A E**  
Come the conference of birds  
  
**B**  
And singing it's true  
**E**  
It's not what it seems  
**Gb**  
Leave your broken windows open  
**A**  
And in the light just streams  
**B**  
And you get a head  
**E**  
A head full of dreams  
**Gb**  
You can see the change you want to  
**A E**

Be what you want to be  
**B**  
When you get a head  
**E**  
A head full of dreams  
**Gb**  
It's a life, I've just been spoken  
**A E B**  
With a head full, a head full of dreams  
  
( **B** )  
  
**B**  
I sing, oh, I think I've landed  
**E**  
Where there are miracles at work  
**Gb**  
Now you've got me open-handed  
**A E**  
Now you got me lost for words  
  
I sing **B** 0 oh 0 **E** oh 0 **Gb** oh 0 **A** o **E** oh (x2)  
**B**  
A head full of dreams  
**E Gb A**  
0 oh 0 oh 0 oh  
0 o oh  
**B**  
A head full of dreams  
**E**  
0 oh 0 oh  
**Gb**  
It's a life, I've just been spoken  
**A E B**  
With a head full, a head full of dreams  
**A E B**  
With a head, with a head full of dreams
