Coldplay - A L I E N S

```
Tom: C
Intro: Am   C   Em
           Am   C   Em

         Am
We were just about to lose our home
  C                     Em
Diamonds ate the radio
 Am                        C   Em
Moving in the dead of night

           Am
We took photographs, just some just so
   C                   Em
History has some to know
         Am              C    Em
We were moving at the speed of flight, kids cry

Am               C          Em
   If you, want to, that's alright
Am              C
   If you, want to, hold me
Em          F    G  Em
   Hold me tight

          F  G Am
Just an alien

( Am   C   Em )
( Am   C   Em )

          Am
We were hovering without a home
   C                Em
Millions are UFO
  Am                       C    Em
Hovering in hope some scope tonight, sees the light and says

Am                 C        Em
   Fly if you, want to, that's alright
Am              C
   But if you, want to, call me
Em              F   G  Em
```

```
     Call this line

          F  G  Am
Just an alien
          F  G  Em
Just an alien
          F          G         Am
Oh, we just want to get home again

( Am   C   Em )
( Am   C   Em )

Am
   Tell your leader, sir or ma'am
C                     Em
   We come in peace, we mean no harm
Am
   Somewhere out there, in the unknown
C                    Am
   All the E.T.'s, are phoning home

 F           G    Em
Watching my life, on the skyline
 F            G    Am
Crossing your eyes, for a lifetime

          F  G  Em
Just an alien,  target movement (moving target)
     F             G Am
A patch, a corner, of the spacetime

          F  G  Em
Just an alien,  turning pages (turning toward it)
F        G    Am
Over Asia, crossing ages

          F  G  Em
Just an alien
          F         G        Am
Oh, we just want to get home again

[Final] F  G  Em
        F  G  Am
