

Coldplay - A Sky Full Of Stars

```
I want to die in your arms
                          tom:
                                                            'Cause you get lighter
              Gb (forma dos acordes no tom de C )
                                                           C C7M
The more it gets dark
Capostraste na 6º casa
Intro: Am F C C7M
 Am F C C7M
                                                             m F C
I'm gonna give you my heart
                                                                                   C C7M
[Primeira Parte]
                                                            [Refrão]
 'Cause you're a sky
                                                             I don't care
            С
'Cause you're a sky full of stars
                                                                             C7M
Am F C I'm gonna give you my heart
                                                            Go on and tear me apart
                                                           Am F C C7M
                                                             I don't care if you do
'Cause you're a sky
                                                              'Cause in a sky
'Cause you're a sky full of stars
                                                            'Cause in a sky full of stars
 Cause you light
                                                                        Am F C C7M
                                                            I think I see you
                                                                     Am F C C7M
Up the path
                                                            I think I see you
                                                            ( Am F C C7M )
[Refrão]
 I don't care
         C
Go on and tear me apart
      F C C7M
Am F C I don't care if you do
                                                            [Terceira Parte]
 'Cause in a sky
                                                             So you're a sky
        C
                                                                 Am
                                                            You're a sky full of stars
'Cause in a sky full of stars
        Am F C C7M
I think I saw you
                                                            Such a heavenly view
                                                                 G
( Am F C C7M )
( Am F C C7M )
( Am F C C7M )
                                                            Ooh, ooh, ooh, ooh, ooh
                                                            Such a heavenly view
                                                            Ooh, ooh, ooh, ooh, ooh
[Segunda Parte]
                                                            'Cause you're a sky
'Cause you're a sky full of stars
