# Coldplay - Bigger Stronger

Tom: F

chorus:
Am                          F     C
i wanna be bigger, stronger drive a faster car

to take me anywhere in seconds,
               D2       Am
to take me anywhere i wanna go
                        F    C
and drive around a faster car

(repeat once)

then
(C )
i will settle for nothing less
          D2          Am         (Am )
i will settle for nothing less

     (Chorus)
                 Dm       Dm       Gm

i think i want to change my   attitude
  C                Gm    Em   A
i think i want to change my oxygen
                        Dm       Dm      Gm  C  Gm
i think i want to change my air, my   atmosphere,
 Em       A           (A )
i want to reach out

(Am, D, Am, D ) x 2

(Verse)

(Chorus)
then solo bit i havent worked out yet :)

Am           D        Am        D
bigger and better, bigger and better
Am           D        Am        D
bigger and better, bigger and better
Am                                F    C
bigger, stronger drive a faster car,
                                        D2          Am
at the touch of a button i can go anywhere i wanna go
