

Coldplay - BrokEn

```
Come shine your light on me (Shine your light on me)
                tom:
                                                                [Terceira Parte]
Intro: Bb F Bb
Hmm-hmm, hmm-hmm
                                                                        Bb
                                                                Oh, shine your light (Oh, shine your light)

Bb F Bb F
Oh, shine a light (Oh, shine a light)
 Bb F Bb F
Hmm-hmm, hmm-oh
Bb F Bb F
{\rm Hmm-hmm}\,,\ {\rm hmm-hmm}
                                                                       Bb
Bb F
         Bb
                                                                And I know (Ooh-ooh)
Hmm-hmm
                                                                That in the darkness I'm alright (I'm alright)
[Primeira Parte]
                                                                       F F7
                                                                See there's no sun rising (Ooh-ooh)
                 F Bb
                                                                      D G7
                                                                But inside I'm free (Ooh-ooh)
Lord, when I'm broken (When I'm broken)
 Bb F Bb
                                                                           F
                                                                'Cause the Lord will shine a light for me
And I'm in need (I'm in need)
Bb F Bb F
                                                                         Bb F
Feel that ocean (Feel that ocean)
                                                                (Shine a light on me)
 Bb F Bb F
                                                                         Bb
                                                                Oh, the Lord will shine a light on me
Swallowing me (Swallowing me)
Bb F Bb F
                                                                           Bh F
Head is hanging (Head is hanging)
                                                                (Shine your light on me)
Bb F Bb B
So sorrowfully (So sorrowfully)
                                                                Sing it now
Bb F
Oh Lord (Ooh-ooh)
                                                                [Final]
                 Bb
                       F
Come shine your light on me (Shine Your light on me)
                                                                 Bb F Bb
                                                                Hmm-hmm, hmm-hmm
[Segunda Parte]
                                                                Bh
                                                                     F Bb F
                                                                Hmm-hmm, hmm-oh
             F Bb F
        Bb
                                                                Bb F Bb F
On that morning (On that morning)
                                                                Hmm-hmm, hmm-hmm
 Bb F Bb F
                                                                Bb F Bb F
Scared and blue (Scared and blue)
                                                                Hmm-hmm, hmm-oh
       Bb F Bb F
                                                                 N.c
When I'm hungry (When I'm hungry)

Bb F Bb F
                                                                Hmm-hmm, hmm-hmm
And thirsty too (Thirsty too)

Bb F Bb F

Send this raindrop (Send this raindrop)
                                                                Hmm-hmm, hmm-oh
                                                                Hmm-hmm, hmm-hmm
 Bb F Bb
Down to the sea (Down to the sea)
Oh Lord (Ooh-ooh)
                                                                Hmm - hmm - hmm - hmm
                 Bb
                                               F
                                          Bb
