Coldplay - Clocks

```
                          tom:
                    G
Intro: D  Am  G
        D  Am  G

 D                     Am
G
Lights go out and I can't be saved, tides that I tried to swim
against
 D               Am          Am          G
Brought me down upon my knees, oh I beg I beg and please -
singing
 D               Am                            G
Come out with things I've said, shoot an apple of my head -
and a
 D               Am                      G
Trouble that can't be named, tigers waiting to be tamed -
singing

D       Am                  G
    You           are

( D   Am   G )
( D   Am   G )

 D               Am                          G
Confusion never stops, closing walls and ticking clocks -
gonna
 D             Am                          G
Come back and take you home, I could not stop the tune now
known - singing
 D               Am                      G
```

```
Come out upon my seas, Curse missed opportunities - am I
D        Am                                  G
A part of the cure, or am I a part of the disease? - singing

D        Am                  G
    You           are

( D  Am  G )
( D  Am  G )

D        Am                  G
    You           are

F7                                 G
    And nothing else compares
F7                                 G
    Oh no, nothing else compares
F7                            G  F7  F7  F7  ~~
    And nothing else compa _____ares

( D  Am  G )
( D  Am  G )
( D  Am  G )
( D  Am  G )

D        Am                  G
    You           are

 D        Am                          G
Home, home, where I wanted to go

[Final] D  Am  G
