

# Coldplay - Everglow

tom:

Intro: Am F C Em7  
Am F C G  
Am F C Em7  
Am F G  
Am F G

[Primeira Parte]

Oh they say people come  
They say people go  
This particular diamond was extra special  
And though you might be gone  
And the world may not know  
Still I see you celestial

( Am F C G )  
( Am F C G )

Like a lion you ran  
A goddess you rolled  
Like an eagle you circled  
In perfect purple

So how come things move on?

How come cars don't slow?

When it feels like the end of my world

When I should but I can't let you go

[Refrão 1]

But when I'm cold, cold

When I'm cold, cold

There's a light that you give me

When I'm in shadow

Am F G

There's a feeling you give me, an everglow

( Am F C G )  
( Am F C G )

[Segunda Parte]

Like brothers in blood  
Sisters who ride  
And we swore on that night  
We'd be friends 'til we die  
But the changing of winds  
And the way waters flow  
Life is short as the falling of snow  
And now I'm gonna miss you, I know

[Refrão 2]

When I'm cold, cold

In water rolled, salt

I know that you're always with me

And the way you will show, and you're with me wherever I go

And you give me this feeling, this everglow

( Am F C Em7 )  
( Am F C G )  
( Am F C Em7 )

Oh- IIII

What I wouldn't give for just a moment to hold

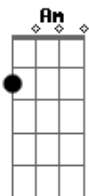

Yeah, I live for this feeling, this everglow

( Am F C Em7 )  
( Am F C G )

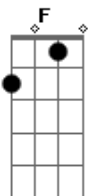

So if you love someone, you should let them know

Oh, the light that you give me will everglow
