

Coldplay - Ghost Story

[Verse I]

Maybe I'm just a ghost^D
 Disappear when anybody's close^C
 Go through you when you travel^G
 Travel over near^D
 Maybe I'm just a ghost^D
 Emptied by 'em, anybody knows^C
 Maybe I'm on a rose^G
 Or am I even here?^D

[Chorus]

Yeah^D
 Every time I try to walk through walls^C
 More walls appear^D
 What's the point in feeling love for you^C
 When you don't believe I'm here?^D
 What's the point in trying to raise your voice^C
 If no one ever hears?^D
 Every time I try to pull you close^C
 You disappear^D
 D D C G
 D D C G

[Verse II]

Maybe I'm a ghost^D
 Just a whisper in a perfect smoke^C
 A secret that nobody knows^G
 D

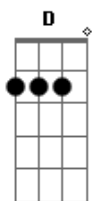

No one will ever hear

Oh, maybe I'm a ghost^D
 Specter of the wrong cause^C
 Fallen out of rose^G
 Something people fear^D

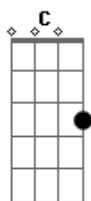

[Chorus]

Yeah^D
 And every time I find I'm off the walls^C
 It's all becoming clear^D
 What's the point in feeling love for you^C
 When you don't believe I'm here?^D
 What's the point in saying 'Rescue me!'^C
 If no one ever hears?^D
 Every time I try to pull you close^C
 You disappear^D
 Every time I try to pull you close^C
 You disappear^D
 D D C G (4x)
 D And every time I find I'm off the walls^C
 It's all becoming clear^D
 Every time I try to pull you close^C
 You disappear^D
 Every time I try to pull you close^C
 You disappear^D
