Coldplay - God Put A Smile Upon Your Face

Tom: B

INTRO: E - G - Gb11 - F (2X)

```
E            G          Gb11        F
Where do we go, nobody knows
E          G           Gb11 F
I've got to stay I'm on my way down
E          G               Gb11    F
God give me style and give me grace
E          G          Gb11        F
God put a smile upon my face
```

E|- G - Gb11 - F (2x)

```
E            G          Gb11    F
where do we go to draw the line
E          G            Gb11    F
I've got to stay, I've wasted all your time, oh honey honey
E          G           Gb11    F
where do I go to fall from grace
E          G          Gb11
God put a smile upon your face, yeah
```

```
A              E                  Gb11            A
now when you work it out I'm worse than yoooou
                E          Gb11            A
yeah when we work it out, i wanted too
            E           Gb11            A
now when we work out where to draw the line
                E      Gb11
your guess is as good as mine...
```

E|- G - Gb11 - F (2X)

```
E          G          Gb11      F
where do we go, nobody knows
E          G              Gb11  F
don't ever stay you're on your way down, when

Tocar várias vezes o

E            G              Gb11        F
god give you style and give you grace
E          G          Gb11
and put a smile upon your face
```

```
A              E                  Gb11            A
now when you work it out I'm worse than yoooou
                E          Gb11            A
yeah when we work it out, i wanted too
            E           Gb11            A
now when we work out where to draw the line
                E      Gb11
your guess is as good as mine...
```

```
E          G          Gb11      F
where do we go, nobody knows
E          G              Gb11 F
don't ever stay you're on your way down, when
E            G              Gb11 F
god give you style and give you grace
E          G          Gb11      F
and put a smile upon your face
```
