

# Coldplay - How You See The World

Tom: C

Am  
Are you missing something  
E  
Looking for something  
Am  
Tired of everything  
E  
Searching and struggling  
Am  
Are you worried about it  
E  
Do you wanna talk about it  
F Am E  
Oh you're gonna get it right some time  
Am  
Theres so much to be scared of  
E  
And not much to make sense of  
Am  
Are you running in a circle  
E  
You can't be too careful  
Am  
And you can't relate it  
E  
'Cos it's complicated  
F Am E  
Oh you're gonna get it right some time  
F Am E E  
You're gonna get it right some time  
F Am  
It's how you see the world  
Em  
How many times can you see  
F  
You can't believe what you learn  
F Am  
It's how you see the world  
Em  
Don't you worry yourself  
F

Your not gonna get hurt  
F E  
Oooohhhh...  
Am E Am E  
Is there something missing  
Am  
E  
There's nobody listening  
Am  
Are you scared of what you don't know  
E  
Dont wanna end up on your own  
Am  
You need conversation  
E  
And information  
F  
Ohhhhhhhh...  
Am E  
Gonna get it right sometimes  
F Am E  
Just you wanna get it right sometimes  
F Am  
It's how you see the world  
Em  
How many times have you heard  
F  
You can't believe a word  
F Am  
It's how you see the world  
Em  
I Don't you worry yourself  
F  
'Cos nobody can learn  
F E  
Ooooh  
F E  
Ooooh  
F E Am  
Ooooooooooh  
E  
That's how you see the world
