Coldplay - Hypnotised

```
Tom: F
Intro: F (x4)
       F  C  Dm  Am  Bb   F (x2)
F      C             Dm
 Been rusting in the rubble
  Am         Bb
Running to a faint
       F                      C
Need a brand new coat of paint
F     C            Dm
 I found myself in trouble
    Am              Bb
Thinking about what ain't
       F                C
Never gonna be a saint

      Gm              C
Saying, float like an eagle
Dm               Bb
  Fall like the rain
Gm             C          Dm
  Pouring to put out the pain
    Bb
Oh again and again

        F    C    Dm
Now I'm hyp, hypnotised
Am       Bb          F               C
  Yeah I trip when I look in your eyes
       F    C    Dm
Oh I'm hyp, hypnotised
Am       Bb           F        C
  Yeah I slip and I'm mesmerized

F       C        Dm
 It's easy to be lethal
     Am               Bb
I'm learning from the news
         F                   C
It's a guidebook for the blues

       F         C           Dm
Saying it's the very same steeple
 Am           Bb
People wanna choose
             F                        C
They just see it from different views

     Gm               C
  And  threading the needle
Dm            Bb
  Fixing my flame
Gm             C         Dm
  Oh now I'm moved to exclaim
    Bb
Oh again and again

        F    C    Dm
Now I'm hyp, hypnotised
Am       Bb          F               C
  Yeah I trip when I look in your eyes
       F    C    Dm
Oh I'm hyp, hypnotised
Am       Bb           F        C
  Yeah I lift and I'm mesmerized

F  C Dm   Am Bb  F C  (x2)
Gm   C   Dm     Bb   Gm   C   Dm

    Bm
Oh again, and again
       F    C    Dm
Now I'm hyp, hypnotised
Am       Bb        F            C
  Yeah I lift to a permanent high
       F    C    Dm
Oh I'm hyp, hypnotised
Am       Bb
  It was dark
       F C F
Now it's sunrise
```
