

# Coldplay - I Ran Away

Tom: **Bb**

Verse 1:

**C** **Am**  
I ran away from you,

**Am** **C**  
That's all I ever do,

**C** **Am**  
And though I started here,

**Am** **C**  
I ran away from you,

**C** **Am**  
I'm gonna come on in,

**Am** **C**  
And see it through,

Verse 2:

**C** **Am**  
I ran away from you,

**Am** **C**  
That's all I ever do,

**C** **Am**  
And when I heard you call,

**Am** **C**  
"Come back to me",

**C** **Am**  
I know I should stay,

**Am** **C**  
I don't have the stomach to,

Note: **Dm** is an additional chords since this song use **C** as a family chord. So playing **Dm** might sounds a bit funny. So take

note that in bass guitar you'll have to play it as **B** in the 2nd last line when you catch the **Dm**. So it could be **Dm** too.

**C** **G**  
Everyone I know says,

**G** **Dm**  
I'm a fool to mess with you,

**C** **G**  
Everyone I know says,

**G** **Dm**  
It's a stupid thing to do,

**C** **G**  
I have your love on call,

**G** **Dm**

And yet my day is so full,

**G** **Dm**  
There might be nothing left to do,

**G** **Dm** **C**  
So I ran away from you,

**A** **Abaug5w5** **Gb7** **A** **Abaug5w5** **Gb7** **A** **Abaug5w5** **Gb7** **A** **Abaug5w5** **Gb7**  
Verse 3:

**C** **Am**  
I'm gonna come on in,

**Am** **C**  
My eyes are closed,

**C** **Am**  
I can feel it there,

**Am** **C**  
The sun's so close,

**C** **Am**  
I'm gonna come on out,

**Am** **C**  
And burn the sky,

Riff:

**G** **Am**  
A star arose in my own cage,

**G** **Am**  
I'm stuck in life and in a cage,

**G** **G**  
Just a single star,

**Am**  
I sing for,

Note: Same as the first Chorus.

**C** **G**  
Everyone I know says,

**G** **Dm**  
I'm a fool to mess with you,

**C** **G**  
Everyone I know says,

**G** **Dm**  
It's a stupid thing to do,

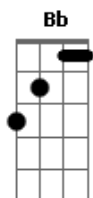

**C** **G**  
I have your love on call,

**G** **Dm**  
And yet my day is so full,

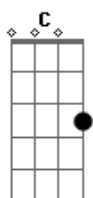

**G** **Dm**  
And I did not know what to do,

**G** **Dm** **C**  
So I ran away from you,
