

Coldplay - iAAM

```
I got this feeling and just what it is, God only knows
                tom:
                                                                But here it goes
                Fh
Intro: Fb
                                                                           Bb
                                                                Stood on a sea of pain
I got this feeling and just what it is, God only knows
                                                                       Fm
                                                                                    Eb
                                                                Let it rain, let it rain, let it rain
I got this feeling and I think I'm seeing thunderbolts
                                                                        Bb
                                                                I'll be back on my feet again
I got this feeling that I'm turnin' into someone new
                                                                'Cause I am a mountain
I got this feeling that the ceiling is for bursting through
                                                                        Bb
                                                                Everyone taking aim?
I got this feeling, and now nothing is frightening
                                                                Let it rain, let it rain, let it rain
                                                                        Bb
                                   Cm
                         Bb
                                                                I'll be back on my feet again
I got this feeling I can summon up lightning
                            Bb
I got this feeling and just what it is, God only knows
                                                                'Cause I am a mountain
But here it goes
                                                                (Eb Eb)
                                                                (Eb Eb)

                  Eb
Stood on a sea of pain
                                                                [Solo] Cm Bb Eb Fm Eb Bb Ab
                                                                       Cm Bb Eb Fm Eb Bb
                    Eb
Let it rain, let it rain, let it rain
       Bb
I'll be back on my feet again
                                                                (Back on my feet again)
'Cause I am a mountain
                                                                (I am a mountain)
(Eb Eb)
                                                                        Bh
(Eb Eb)
                                                                Everyone taking aim?
                                                                Let it rain, let it rain, let it rain
I'm really sorry for some things I said along the way
                                                                   Bb
                                                                                     Ah
                                                                My love for you will remain
I really love you, I just didn't like myself that day
                                                                'Cause I am a mountain
I got this feeling, and now nothing is frightening
                                                                (Fb Fb)
                         Bb
                                                                (Eb Eb)
I got this feeling I can summon up lightning
                                                                (Eb Eb)
                                                                (Fm Ab Eb)
