My father said, "never give up son"

Just look how good Cassius become

Muhammad, Mahatama and Nelson

Not scared to be strong

(Man, what if they say I'm no good)

(What if they say, "get out of here kid, you got no future")

Now you could run and just say they're right

No, I'll never be no one in my whole life

Or you could turn and see the way they're wrong

And get to keep on dancing all life long

My father said, "never give up son"

Just look what Amelia and John done

Oh Rosa, Theresa their war won

Not scared to be strong

Now you could run and just say they're right

No, I'll never be no one in my whole life

Or you could turn and see the way they're wrong

And get to keep on dancing all life long

Yeah, you could be

Someone special

You've got bright in your brains and lightning in your veins

You'll go higher then they've ever gone

In you I see

Someone special

You've got fire in your eyes an'

When you realize, you'll go further then we've ever gone

[Rap]

Just turn it on

(I pay my intuition, I couldn't afford tuition)

(My funds was insufficient, it felt like I'm in prison)

(Until I realized I had to set my mind free)

(I was trusting statistics more than I trust me)

(Get a degree, good job, 401k)

(But I'm trying to turn Ks to Ms, what does it take?)

(And maybe I could be the new Ali of music, probably)

(Instead of doing it just as a hobby, like these boys told me to)

(I guess you either watch the show, or your show approved)

(Prove it to them or you prove it to yourself)

(But honestly its better if you do it for yourself)

(Never complacent 'til we hit the oasis)

(One life don't waste it, feel my heart races)

(Success I taste it, ah)

(We on the verge, of gettin' every single thing that we deserve)

Yeah you could be

Someone special

You've got fire in your eyes, I see heaven inside

You'll go further then we've ever gone

In you I see

Someone special

You've got bright in your brains, you can break through the chains

You'll go higher then we've ever gone

Just turn it on

(Dbm E A)

In you I see

Someone special

Don't go to war with yourself

Just turn, just turn, just turn it on

And you can't go wrong
