

# Coldplay - Prospekt's March

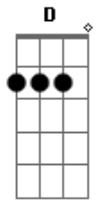

Tom: D

**Bm** **G**  
Smoke is rising from the houses  
**Bm** **G**  
People burying their dead  
**Bm** **G**  
I ask somebody what the time is  
**Bm** **G** **D**  
But time doesn't matter to them yet  
**G** **Bm** **A**  
People talking without speaking  
**G** **Bm** **A**  
Trying to take what they can get  
**G** **Bm**  
I ask you if you remember  
**E7** **G**  
Prospekt how, could I forget?

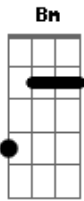

**D**  
Drums  
**Bm**  
Here it comes  
**G**  
Don't you wish that life could be as simple  
As fish swimming round in a barrel?

**E7**  
When you've got the gun  
**Em** **D**  
Oh and I run **Bm**  
Here it comes **G**  
We're just two little figures in a soup bowl  
Trying to get behind a kind of control  
**Em** **G**  
But I wasn't one **A**  
Now here I lie  
**Gbm** **Gmaj9**  
On my own in a separate sky  
**A**  
And here I lie  
**Gbm** **Gmaj9**  
On my own in a separate sky  
**A**  
I don't wanna die  
**Gbm** **Gmaj9**  
On my own here tonight  
**A**  
But here I lie  
**Gbm** **Gmaj9** **D**  
On my own in a separate sky...
