Coldplay - Something Just Like This

```
But I'm not the kind of person that it fits
Tom: D
Intro: G A Bm A G A Bm
                                                      [Pre-Chorus]
[Verse 1]
                                                             D
       D
                                                      She said, where'd you wanna go?
I've been reading books of old
                                                                      Bm
                                                       А
                                                     How much you wanna risk?
  Α
               Bm
The legends and the myths
          G
                                                      I'm not looking for somebody
 D
Achilles and his gold
                                                         A Bm
A Bm
Hercules and his gifts
D G
                                                     With some superhuman gifts
                                                       D G
                                                     Some superhero
A Bm
Spiderman's control
                                                      Some fairytale bliss
 A Bm
And Batman with his fists
                                                                        G
                                                       D
                                                      Just something I can turn to
     G
And clearly I don't see myself upon that list
                                                       A Bm
                                                      Somebody I can miss
[Pre-Chorus]
                                                      [Chorus]
       D
                       G
She said, where'd you wanna go?
A Bm
                                                           D
                                                                        GABm DGA
                                                      I want something just like this
How much you wanna risk?
                                                                           G A Bm D
                                                        D
                                                                                            G
                                                      I want something just like this
I'm not looking for somebody
   Α
                                                      [Bridge]
With some superhuman gifts
 D G
                                                              D
Some superhero
A Bm
                                                      Oh I want something just like this
                                                     A E
Doo-doo-doo, doo-doo-doo
D G
Doo-doo-doo, doo-doo
                                                                        Bm
Some fairytale bliss
 D
                  G
Just something I can turn to
A Bm
Somebody I can kiss
                                                           Α
                                                                         Rm
                                                     Doo-doo-doo, doo-doo-doo
                                                           D
[Bridge]
                                                      Oh I want something just like this
