

Coldplay - Speed Of Sound

Tom: D

Intro: A Em Em D (x2)

A Em7
How long before I get in

D
Before it starts, before I begin

A Em7
How long before we decide

D
Before I know what it feels like

A Em7
Where to? Where do I go?

D
If you've never tried then you'll never know

A Em7
How long do I have to climb

D
Up on this side of this mountain of mine

(Intro)

A Em7
Look up, I look up at night

D
Planets are moving at the speed of light

A Em7
Climb up, up in the trees, every chance that you get

D
is a chance you seize

A Em7
How long am I gonna stand

D
With my head stuck under the sand?

A Em7
I start before I can stop

D
Before I see things the right way up

G A Bm7
All that noise, all that sound

G A Bm7
All those places that I have found

G Bm
And birds go flying at the speed of sound

D G
To show you how it all began

G Bm
Birds came flying from the underground

Gbm G
If you could see it then you'd understand

Gbm G
Ah, when you see it then you'll understand

If you could see it then you'd understand

(Intro)

A Em7
Ideas that you'll never find

D
Or the inventors could never design

A Em7
The buildings that you put up

D
Japan and China... All lit up

A Em7
The sign that I couldn't read

D
Or the light that I couldn't see

A Em7
Some things you have to believe

D
But others are puzzles, puzzling me

G A Bm7
All that noise, all that sound

G A Bm7
All those places that I have found

G Bm
And birds go flying at the speed of sound

D G
To show you how it all began

G Bm
Birds came flying from the underground

Gbm G
If you could see it then you'd understand

Gbm G
Ah, when you see it then you'll understand

(D) G|---12~-----11\9/11~-----|

G A Bm
All those signs I knew what they meant

E
Some things you can't invent

G A Bm
Some get made, and some get sent

E
Uh Uh

G Bm
And birds go flying at the speed of sound

D G
To show you how it all began

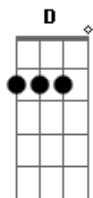

G Bm
Birds came flying from the underground

Gbm G
If you could see it then you'd understand

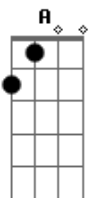

Gbm G
Ah, when you see it then you'll understand

(G)
