

# Coldplay - Speed Of Sound

Tom: **D**

Intro: **A Em Em D** (x2)

**A** **Em**  
How long before I get in

**D**  
Before it starts, before I begin

**A** **Em**  
How long before we decide

**D**  
Before I know what it feels like

**A** **Em**  
Where to? Where do I go?

**D**  
If you've never tried then you'll never know

**A** **Em**  
How long do I have to climb

**D**  
Up on this side of this mountain of mine

(Intro)

**A** **Em**  
Look up, I look up at night

**D**  
Planets are moving at the speed of light

**A** **Em**  
Climb up, up in the trees, every chance that you get

**D**  
is a chance you seize

**A** **Em**  
How long am I gonna stand

**D**  
With my head stuck under the sand?

**A** **Em**  
I start before I can stop

**D**  
Before I see things the right way up

**G** **A** **Bm**  
All that noise, all that sound

**G** **A** **Bm**  
All those places that I have found

**G** **Bm**  
And birds go flying at the speed of sound

**D** **G**  
To show you how it all began

**G** **Bm**  
Birds came flying from the underground

**Gbm** **G**  
If you could see it then you'd understand

**Gbm** **G**  
Ah, when you see it then you'll understand

If you could see it then you'd understand

(Intro)

**A** **Em**  
Ideas that you'll never find

**D**  
Or the inventors could never design

**A** **Em**  
The buildings that you put up

**D**  
Japan and China... All lit up

**A** **Em**  
The sign that I couldn't read

**D**  
Or the light that I couldn't see

**A** **Em**  
Some things you have to believe

**D**  
But others are puzzles, puzzling me

**G** **A** **Bm**  
All that noise, all that sound

**G** **A** **Bm**  
All those places that I have found

**G** **Bm**  
And birds go flying at the speed of sound

**D** **G**  
To show you how it all began

**G** **Bm**  
Birds came flying from the underground

**Gbm** **G**  
If you could see it then you'd understand

**Gbm** **G**  
Ah, when you see it then you'll understand

( **D** ) **G** | ---12~-----11\9/11~----- |

**G** **A** **Bm**  
All those signs I knew what they meant

**E**  
Some things you can't invent

**G** **A** **Bm**  
Some get made, and some get sent

**E**  
Uh Uh

**G** **Bm**  
And birds go flying at the speed of sound

**D** **G**  
To show you how it all began

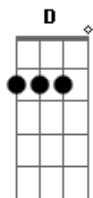

**G** **Bm**  
Birds came flying from the underground

**Gbm** **G**  
If you could see it then you'd understand

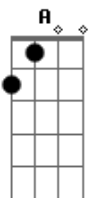

**Gbm** **G**  
Ah, when you see it then you'll understand

( **G** )
